

How can your organization help?

1. Share information about the care package drive with your members, through your monthly meetings, social media sites, newsletter etc.
2. Ask your members if they would share the care package drive information with their coworkers, clients, neighbors and friends.
3. Invite Kendall Kless(Founder/Organizer) and/or Rob Bowen (Co-organizer) to speak to your organization.
4. Collect items from members for inclusion in the boxes; perhaps sponsor a “mini-drive” and ask members to donate a specific item(s) for the boxes.
5. Cash donations are always appreciated.
6. Volunteers are always appreciated! Perhaps you could sign up a group of your members to volunteer at the same time: day or evening.

Thank you for your consideration!
